About This Game

Iggy is a happy-go-lucky Pug that lives in a mansion with the Duchess Bianca. One day Iggy awakes to find the mansion is overrun with Zombies and Bianca is missing.
Can you reunite Iggy and Bianca in this action packed Puzzle-Strategy game?

70 ACTION PACKED LEVELS
Solve every Puzzle your way! Draw any path for Iggy to follow through each Zombie infested level.

PUG-LIFE SAVING POWER-UPS
Timing is everything! Activate Power-Ups at the right time and help the little Pug to evade the walking dead.

KNOW YOUR ZOMBIES
Braaaains! Help Iggy outmanoeuvre Acid Spitting Zombies, Burning Zombies, Charging Zombies, Electrifying Zombies and many more using perfect timing and your own strategy.

BONUS LEVELS
Collect them all! Unlock all 7 Bonus Levels by beating the high scores of every world.

Simple mechanics combined with challenging puzzles. Worth a purchase, especially for the price!. Fun game. Simple mechanics but it gets surprisingly challenging as you get further on!. Nice fun little puzzle game, worth checking out.. Very addictive!. nice little puzzle game, worth the small amount i paid, fun!!. Addictive and a lot of fun. A simple, fun casual game. Runs well, Nice graphical style. Quirky humour. Worth checking out.. Great little puzzle game, fun, intersting concept. Well thought out. Highly recommended.

Great little game, solid mechnics. Definitely worth a purchase at the price :)
